Re: Florida Power & Light Company's Petition for Approval of Residential Service Dynamic Price Response Pilot Rate

Dear Ms. Cole:

On January 14, 2011, Florida Power & Light Company ("FPL") filed an original and seven (7) copies of its Petition for Approval of Residential Service Dynamic Price Response Pilot Rate, together with Appendix A and Appendix B. Appendix B contained proposed tariff sheets for approval by the Florida Public Service Commission, including Original Sheet No. 8.030.2 and Sixth Revised Sheet No. 8.220, in final and legislative form. FPL's Original Sheet No. 8.030.2 reflected then-current Energy Conservation Cost Recovery ("ECCR") factors.

Since FPL's January 14th filing, new ECCR factors have been approved for FPL. Accordingly, FPL is filing an original and seven (7) copies of a revised Original Sheet No. 8.030.2 in final and legislative form. The tariff sheet included herewith is intended to supersede and replace the Original Sheet No. 8.030.2 filed on January 14th.

Please contact me should you or your staff have any questions regarding this filing.

Sincerely,

Jessica Cano
