Re: Verizon Florida LLC – 2013 Incumbent Local Exchange Carrier (ILEC) Questionnaire
MCImetro Access Transmission Services LLC d/b/a Verizon Access Transmission Services
– 2013 Competitive Local Exchange Carrier (CLEC) Questionnaire

Dear Ms. Cole:

Enclosed please find two redacted copies of the 2013 Incumbent Local Exchange Carrier (ILEC) Questionnaire for Verizon Florida LLC (Verizon) and a separate envelope containing the confidential version of the Questionnaire and Verizon's confidential FCC Form 477.

Also enclosed is the 2013 Competitive Local Exchange Carrier (CLEC) Questionnaire for MCImetro Access Transmission Services LLC d/b/a Verizon Access Transmission Services (Verizon Access) and a separate envelope containing Verizon Access's confidential FCC Form 477.

Verizon and Verizon Access consider the redacted information in Verizon's Questionnaire and the information in the Verizon and Verizon Access FCC Form 477s to be proprietary and confidential business information because it is proprietary information that could be used by competitors to gain an unfair competitive advantage. Therefore, this filing is made under a Claim of Confidentiality pursuant to F.S. 364.193(1) and Rule 25-22.006(5), F.A.C. Verizon understands the information must be kept confidential until returned to Verizon.
