1 and requires the ETCs to certify that they will use
2 the high-cost support that they receive for the
3 provision, maintenance, and upgrading of facilities
4 and services for which the support is intended.

5 In order for the Florida ETCs to receive the
6 funding, the Commission must verify that the
7 carriers provided all of the required information
8 and certified to the FCC and USAC that the carriers
9 are eligible to receive high-cost support.

10 Each of the Florida ETCs has submitted their
11 Form 481 to the Commission. Staff has reviewed the
12 information and verified that all of the carriers
13 have provided the information required for high-
14 cost certification.

15 Therefore, staff is recommending that the
16 Commission certify to the FCC and USAC by letter
17 from the Chairman that the Florida ETCs are
18 eligible to receive high-cost support for the 2018
19 calendar year.
