Hi Chris,

I emailed Clint at Grundy and his comment follows:

"Okay. Shipper should have cargo insurance and liability insurance naming KWRU as an additional insured."

Can you confirm with the shipping company that they can do this while the vehicle is in their care, custody and control? When is the truck going to be shipped? We can add to K.W.'s coverage when you request us to do

Lou,

KWRU would like to buy this truck in Houston and shipping is included to Key West. So we are looking at an asset that KWRU pays for and takes ownership of in Houston and it is then shipped to Key West by others. If I am going to own the truck in Houston then I need to know that the truck is insured. Please advise with regard to this given our current fleet vehicle insurance policy.

Thank you -Chris

Shaw,

I am contacting you regarding the 2011 F450 that you have been discussing with Rob Derryberry. We would like to move forward with the purchase of the truck for the discussed purchase price of \$39,900 with the shipping included. The name on the title should be the company name (KW Resort Utilities Corp.) and the address and phone number can all be found below in my signature. Let me know if you need anything else.

This is the truck:
