Re: Docket 20180004

Dear Ms. Stauffer:

On June 7, 2018, our office filed, on behalf of Sebring Gas System, a Revised Petition for Approval of Sebring Gas System's Conservation Cost Recovery True-up and Testimony of Jerry H. Melendy. However, it has recently come to our attention that we inadvertently attached the schedule previously filed instead of the Revised Schedule as an exhibit. We are resubmitting the enclosed entire Petition including the Testimony of Jerry H. Melendy with the correct Revised Schedule and ask that your office replace the one previously filed on June 7, 2018. As explained, the only item changed was to attach the correct schedule that should have been attached previously. I have consulted with the Ms. Rachel Dziechciarz and have been advised this is the easiest method to ensure the record is corrected without further confusion.

Thank you for your assistance and please do not hesitate to contact me if you have any questions.

Sincerely,

Paula M. Sparkman
