Subject: Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

We are old and living on retirement income. Do not try to waste any electricity, or other utilities. Increases are increasing all around us. How about as we try to conserve, You big companies try to do likewise, no big bounces for high corporate employees, shares to stockholders, slightly less, etc. The average working person is having a hard time, we all have to give some.

Thank you,

Mary Odierna
