Re: Docket No. 20240159-GU: Joint Petition by Florida Public Utilities Company and Florida City Gas for Approval of Tariff Changes to Standardize and Align Florida Public Utilities Company and Florida City Gas's Transportation Service Tariffs and to Implement a Flexible Gas Service Tariff for Florida City Gas.

Dear Ms. Keating and Mr. Cassel:

By this letter, Commission staff requests that Florida Public Utilities Company (FPUC) and Florida City Gas (FCG), (jointly, the Utilities) provide responses to the below questions regarding Docket No. 20240159-GU.

- 1. Please explain why FCG is currently using the Gastar software system rather than the Convergence Gas Transportation software system.
- 2. Please provide FPUC's proposed tariff sheet Nos. 6.527 and 8.177, in both clean and legislative formats.
- 3. Referring to tariff sheet No. 6.031, please explain why section ii. Shipper Administrative Service was not applicable to flexible gas service (FGS) and special contract service.
- 4. Please explain why FCG's customers are categorized into two different transportation programs while FPUC only has one.
- 5. Please explain how further consolidating the tariffs benefits the general body of ratepayers and the Utilities.
- 6. Have the Utilities previously experienced technical issues by having two different sets of tariffs? Please explain.
