CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Please decline the request from FPL to increase any rates. When we voted to allow them the purchase of Gulf Power on the ballot was the promise to lower rates and also take utilities underground. Non of this is occurring. If FPL needs more money then they can stop advertising for one. We don't have a choice on a power company so why are we paying them to advertise anything?
