Subject: Objection to FPL rate increase request Docket No 20250011-EI

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Dear Sirs:

Please find attached my objection to the rate increase request submitted by FPL. I ask that you deny this rate increase request. FPL already increased every bill to include minimum fees which were too much and now consumers can barely afford these, especially when there is no consideration if you have more than one FPL account. FPL also let several contractors work for them during Hurricane Milton and they damaged a lot of people's properties in Putnam County, came on our property without permission and FPL refused to reimburse these damages. Please deny any rate increase. (I do have pictures of the damages done by Subcontractor of FPL/Rightway Tree Experts.) Both companies refused to reimburse my damages, but I'm sure they were paid by State of Florida to be working during the Hurricane.

Thanks,
Vicki Brown

CUSTOMER COMMENTS
<p>DEAR SIRs - I am against this Request for A RATE increase and Respectfully ask that you decline. Just A few YEARS Ago - FPL instituted A minimum charge on each and every bill, which had to increase their Revenue substantially. I have two Poles on one Property and asked that they only charge min. fee on one bill since same Property - they Refused. Then they increase bill to cover hurricane damages with Surcharges. A Sub Contractor that FPL was employing came on my Property during Hurricane Milton, They caused damages to my Property of \$1000⁰⁰ - And when I Submitted Claim to FPL - they denied; But the trucks had FPL Contractor Stickers ALL OVER. - Who Reimburses me</p>

FOLD & TAPE - See back for address

FOR my Hurricane Damage BECAUSE OF FPL -

Any email or other correspondence sent to a Florida Public Service Commissioner, or any other public official and/or employee of the PSC, in the transaction of public business is considered a public record and is subject to Florida's Public Records Law. This means that Florida law generally requires the PSC to provide a copy of any such email or correspondence, upon request, for inspection and copying to any Florida citizen or to any member of the media.

Please Deny Any Request FOR RATE increase! IF it is to Establish Infrastructure - then

The Sub Contractor - came in my closed-fenced YARD + DAMAGED under Ground Sprinklers + my fence. New customers should PAY - not People here for 30+ years
