CUSTOMER COMMENTS
I had great experi with FPL and the Field representatives regarding disconnecting and reconnceting
Power. Specially in these two remodeling work in 18201 NW 68 Ave and 3350 NW 7 Ave I had work as
Volunteers. Both of FPL representative were cordial, profesional and work in our favor as customers
In my residence locate also located in Miami Dade County they had provided restore power reasonable fast
Our system is outdated servicing our home thru an rear easement in the back overhead system
Under ground in this are should provide better system specially for the amount of trees
Also on the same note the tree trimmers are not reliable, because the reschedule but never come back
This is a very important work because in a storm will avoid losing power and less work for your staff.
