CUSTOMER COMMENTS

I work at the Hollywood (Ann Kolb Center) and saw commissioners while the public was speaking during the following going online, checking e-mails, reading or talking to one another. I found that to be rude, unprofessional and an attitude of not interested in what the public had to say. This is a perfect example of why the public service commission must be elected. ONLY then will be interested in public opinion.

FOLD & TAPE - See back for address

Any email or other correspondence sent to a Florida Public Service Commissioner, or any other public official and/or employee of the PSC, in the transaction of public business is considered a public record and is subject to Florida's Public Records Law. This means that Florida law generally requires the PSC to provide a copy of any such email or correspondence, upon request, for inspection and copying to any Florida citizen or to any member of the media.
