CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

I realize FPL does an excellent job keeping and restoring (when needed) our electricity. However...I am opposed to the significant rate hike you are requesting. I feel it will make it extremely difficult, if not impossible, for some customers to continue to pay for service.

Please, be reasonable, request a smaller increase to my monthly bill.

Thank you
