FPUC LED Program Standards:

Program: Street and Outdoor Lighting Conversion

Program Participation Standards

1. Only active Non-Light Emitting Diode ("LED") luminaires, as identified in FPUC's LED Conversion Program, to be converted to LED luminaires are eligible for this program.
2. The total recovery amount is \$184.91 per eligible converted luminaire, and a total of 7,020 fixtures.
3. Upon completion of the two-year LED Conversion Program, the company shall notify the Florida Public Service Commission within 30 days.
4. FPUC will randomly perform field verifications on a minimum of 10 percent of the converted LED luminaires. All luminaires not selected for field review will have an office verification to validate installation information.
5. The reporting requirements for this program will follow Rule 25-17.0021 (5), F.A.C. Additionally, program expenses will be identified in the ECCR True-Up and Projection Filings.
