Governor,

I am writing concerning the Outrageous rate hikes from Duke. Rates have increased almost 15%. In these economic times and a lot of people still trying to recover from the last two hurricanes it is putting a tremendous strain on people. People Can Not afford this. Duke claims to be hiking rates due to the storms. They are insured for this and have a reserve just for this. Our home insurance has significantly increased due to the storms and now Duke. All the FLPSC should be replaced
