To all members of the **Public Service Commission**,

I just learned from Jim DeFede's Facing South Florida that FPL is planning to slap Florida consumers with their **highest rate hike ever, despite profits of over \$4, 000,000,000 in 2024.**

4 BILLION!!

I am *outraged*.

Those of us whose *only income* is Social Security are *already* suffering financially due to higher food prices, higher property taxes, and higher health insurance rates.

It's not like we can switch providers – FPL is a monopoly!

The rate hike they are requesting, 17% ? ... is exorbitant!

I urge you to DENY the FPL rate hike. Isn't *4 BILLION a year* enough?!

Thank you,

Pat Milone
