Subject: Keep FPL Rates Down Docket #20250011

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Dear Florida Public Service Commissioners,

As a Florida Power & Light customer, I strongly oppose the proposed rate increase. This hike would place an unfair burden on customers, especially those with low or fixed incomes, while FPL continues to post high profits.

With costs for essentials already rising, a higher utility bill is unacceptable. I urge you to reject FPL's request for increased rates and higher returns, and to prioritize fair, affordable rates for all Floridians.

Please say no to this rate hike. Thank you for your consideration.

Sincerely,

Julio Socarras
