Having owned at Grenelefe since 1992, and being 82 years old. I find this suggested rate increase from \$50.00 per month to \$530. absolutely ridiculous.

We have experienced condo dues increase substantially with the new owners. And receive nothing in return, grounds are grown over, no watering, no tennis courts no swimming pool, they tore down the old resort and the rubbish remains just that, piles of rubbish and covered up like a junk yard.

Snakes and wild animals are taking over a once beautiful property.

To recommend this increase is absolutely absurd. We have to boil water do the endless water supply being turned off.

I am totally against this increase.

Respectfully
