Docket No. 20250001-EI

Date: September 4, 2025

**FLORIDA POWER & LIGHT COMPANY'S REQUEST FOR CONFIDENTIAL
CLASSIFICATION OF MATERIALS PROVIDED IN EXHIBIT AM-6 TO
THE PREPARED TESTIMONY OF WITNESS AMIN MOHOMED**

Pursuant to Section 366.093, Florida Statutes and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") requests confidential classification of certain materials provided in Exhibit AM-6 to the prepared testimony of FPL witness Amin Mohamed (the "Confidential Information"). In support of its Request, FPL states as follows:

1. FPL submitted the prepared testimony and exhibits of FPL witness Amin Mohamed contemporaneously with this request. Exhibit AM-6 contains confidential information.
2. The following exhibits are included with and made a part of this request:
 - a. Exhibit A is a copy of the document on which all the Confidential Information has been highlighted.
 - b. Exhibit B consists of two copies of the document in Exhibit A on which all the Confidential Information has been redacted.
 - c. Exhibit C is a table that identifies the specific page and line references for the information for which confidential treatment is sought, provides a brief description of the Confidential Information, references the specific statutory bases for the claim of confidentiality, and lists the declarant who supports the requested classification.
 - d. Exhibit D is the declaration of Amin Mohamed in support of this request.

3. FPL submits that the highlighted information in Exhibit A is proprietary confidential business information within the meaning of Section 366.093(3), Florida Statutes. This information is intended to be and is treated by FPL as private, and its confidentiality has been maintained. Pursuant to Section 366.093, such information is entitled to confidential treatment and is exempt from the disclosure provisions of the public records law. Thus, once the Commission determined that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

4. As described more fully in the declaration included as Exhibit D and described in Exhibit C, the Confidential Information contains or constitutes data concerning bids or other contractual data, the disclosure of which would impair the efforts of FPL to contract for goods and services on favorable terms, to the detriment of FPL and its customers. Specifically, the information contains amounts paid for capacity by FPL in 2025. This information is protected by Sections 366.093(3)(d), Fla. Stat.

5. Upon a finding by the Commission that the Confidential Information remains proprietary and confidential business information, the information should not be declassified for at least an additional eighteen (18) month period and should be returned to FPL as soon as it is no longer necessary for the Commission to conduct its business. *See* § 366.093(4), Fla. Stat.

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials, Florida Power & Light Company respectfully requests that its Request for Confidential Classification be granted.

Respectfully submitted,

DECLARATION OF AMIN MOHOMED

1. My name is Amin Mohomed. I am currently employed by Florida Power & Light Company ("FPL") as Assistant Controller, FPL Finance. I have personal knowledge of the matters stated in this declaration.

2. I have reviewed Exhibit C and the information that is included on page 13 of in Exhibit AM-6 to FPL's Request for Confidential Classification of Materials Provided in its 2026 Capacity Cost Recovery Projections. The documents or materials that I have reviewed, and which are asserted by FPL to be proprietary confidential business information, contain or constitute information concerning bids or other contractual data, the disclosure of which would impair the efforts of FPL to contract for goods and services on favorable terms. 3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of least eighteen (18) months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Under penalties of perjury, I declare that I have read the foregoing declaration and that the facts stated in it are true to the best of my knowledge and belief.
