December 2, 2025

Docket No. 20250109-GU – Petition for approval of gas utility access and replacement directive cost recovery factors for January 2026 through December 2026, by Florida Public Utilities Company.

Issue 1: Should the Commission approve FPUC's 2026 Gas Utility Access and Replacement Directive (GUARD) cost recovery factors and associated Third Revised Sheet No. 7.403 for the period January to December 2026?

Recommendation: Yes. The Commission should approve FPUC's 2026 GUARD cost recovery factors and associated Third Revised Sheet No. 7.403, included in Attachment B of staff's memorandum dated November 18, 2025, to be effective for the first billing cycle of January 2026 through the last billing cycle of December 2026. The Commission should also approve FPUC's request to provide six months of actual and six months of estimated data in its actual/estimated true-up filings. The GUARD surcharge would allow FPUC to replace problematic pipes and facilities and relocate certain facilities located in rear easements to the front easements, and recover the project costs on an expedited basis.
