COMMISSION  
CLERK

Pursuant to Section 366.093 of the Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code, Florida City Gas (FCG or Company) requests confidential classification of highlighted information that was provided on April 3, 2025, in response to OPC's First Request for Production of Documents (PODs), Nos. 1 – 5, specifically POD No. 1, issued in the above docket, which relates to FCG's variance reports.

FCG is claiming confidentiality of certain information contained in its response to OPC's First Request for PODs, Nos. 1 - 5, specifically POD No. 1, under Section 366.093(3)(d) and (e), F.S. Per the statute, propriety of confidential business information includes, but is not limited to: Subsection (d) "[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms," and Subsection (e) "[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information." FCG states that certain information contained in the variance reports, for which confidential treatment is being requested, contains customer-specific account information, sensitive employee compensation information, and confidential contractual information with various vendors. The Company maintains that the disclosure of the above-referenced information could impair the Company's ability to contract for goods and services with current or future vendors, and/or impair the Company's ability to compete for and retain qualified personnel. The Company also states that to the extent of its knowledge, this information is not publically available.

Staff has reviewed the information provided in FCG's response to OPC's First Request for PODs, Nos. 1 - 5, specifically POD No. 1, as well as the Company's confidentiality request. In staff's opinion, the information that is the subject of the confidentiality request does meet the criteria for confidentiality contained in Section 366.093 F.S. Therefore, staff recommends that the request for confidentiality of certain information included in Document No. 02599-2025 (and x-ref Document No. 02700-2025) be approved.
