

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Application for transfer of water and wastewater facilities and Certificate Nos. 600-W and 516-S from Orchid Springs Development Corporation to CSWR-Florida Utility Operating Company, LLC, in Polk County.

DOCKET NO. 20250110-WS
ORDER NO. PSC-2025-0443-CFO-WS
ISSUED: December 8, 2025

ORDER GRANTING CSWR'S REQUEST FOR CONFIDENTIAL CLASSIFICATION
(DOCUMENT NO. 08972-2025)

On September 3, 2025, pursuant to Section 367.156(3), Florida Statutes (F.S.), CSWR-Florida Operating Company, LLC (CSWR) filed a request for confidential classification (Request) of certain highlighted affiliate financial information contained in Exhibit D to CSWR's Application for Transfer.

Request for Confidential Classification

CSWR contends that designated portions of Document No. 08972-2025 constitute proprietary and confidential business information entitled to protection under Section 367.156, F.S., and Rule 25-22.006, Florida Administrative Code (F.A.C.). CSWR asserts that the information at issue relates to its competitive interests. More specifically, the information for which confidentiality is sought contains CSWR's consolidated financial information for 2023 and 2024. Therefore, CSWR argues that the information is confidential and protected from disclosure by Section 367.156(3), F.S.

Ruling

Section 367.156(1), F.S., provides that records the Florida Public Service Commission (Commission) has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 367.156(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 367.156(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

- (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 367.156(3), F.S., for classification as proprietary confidential business information. The

information constitutes “information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.” Thus, the information identified in Document No. 08972-2025 shall be granted confidential classification.

Pursuant to Section 367.156(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless CSWR, or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is

ORDERED by Commissioner Art Graham as Prehearing Officer, that CSWR-Florida Operating Company, LLC’s Request for Confidential Classification of Document No. 08972-2025, is granted. It is further

ORDERED that the information in Document No. 08972-2025 for which confidential classification has been granted shall remain protected from disclosure for a period of 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless CSWR-Florida Operating Company, LLC or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Art Graham, as Prehearing Officer, this 8th day of December, 2025.

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.
