electric bills

Message

Governor Desantis, This is VERY frustrating! Our electric bill has gone through the roof!! FP&L has touted the installation of "30 million" solar panels (no doubt subsidized by the taxpayer) in order to reduce the electric costs to homeowners, and yet our bill keeps climbing! Adding insult to injury, your Public "Service"?? Commission approved a seven (\$7) billion dollar!! rate hike for FP&L. \$7,000,000,000!! The owner of FP&L, Nextera Energy, is a \$178 billion dollar company! Enough already!!
