Complaint: Other Complaints against Florida Power & Light Company  
Details:

18% hike in my electric bill. Outrageous. FPL service doesn't even justify 1% hike. Let the shareholders absorb the cost. I guess the governor isn't looking out for working families who struggle to put food on the table. Isn't he a Republican? I don't think in my lifetime I ever got an 8% raise, let alone an 18%. Just so the CEO can buy that 2nd home. Yep, not voting Republican again .... well .... maybe if he seems like a good man looking out for the working class. Again 18% --  
OUTRAGEOUS
