Dear Chairman LaRosa,

My energy bills have gone up far too much per month. With prices climbing on all basic needs, it's becoming impossible to manage. Floridians need relief. I urge you to support OPC's proposal for lower energy rates and reject FPL's rate hike.

Sincerely,

Sincerely,

Dear Commissioner Mike La Rosa,

I guess it's true that greed knows no bounds.

I'm a Floridian and I am requesting that you vote NO on FPL's settlement agreement that would raise rates far above the national average.

If the Commission approves FPL's settlement, FPL will have the second highest return on equity in the country. That's a huge burden for Florida families who can barely afford our energy bills as it is.

Please reject FPL's settlement agreement and cap its return on equity to the national average of 9.6%.

I'm counting on you to protect Florida ratepayers.

Do the right thing for Florida,

Sincerely,  
Mr. Jay Lynn
