Dear Commissioner,
Docket No.20250108-ws

I am writing in regard to the proposed rate increase at Sunlake Estates. I strongly suggest you take another look at the increase. We are a senior citizen community most of whom are living on a fixed income and can ill afford to pay a significantly higher water bill. Many will have to choose between water or another necessary item. We have a beautiful community with much larger lots than most mobile home parks and with the proposed rate increase many will have to stop watering their lawns or planting flowers. Many will be forced to move. Thank You for your consideration of this matter.
