Program Elements

- Subscriber must have or subscribe to a minimum 5-line Complete Choice® for Business Package; sign a 36-month Program term agreement; have or subscribe to any BellSouth Long Distance domestic calling plan; and subscribe to a new AT&T MIS service at 1.5M speed or higher, under a 36-month agreement.
- Discount: Specified % based upon Subscriber's monthly local charges for the Complete Choice® for Business package(s) under the G.S.S.T. A tariff or the Service Agreements, Service Descriptions and Price Lists in detariffed or deregulated jurisdictions, as the case may be.
BellSouth Complete Choice® for Business Enhanced Answers(SM) Bundle Promotion (36 month term commitment) - Monthly Discount
Subscribers in: AL/FL/KY/LA/MS/NC/SC/TN - 60%
Subscribers in: GA – Rate Groups 2, 5 & 7 - 60%
Subscribers in: GA – Rate Group 12 - 75%

- The Program discount will appear as a credit in the OC&C section of the Subscriber's bill in the current billing period or a subsequent billing period usually within one or two billing cycles. Participation in the Program begins on the date the Subscriber commits to a term election and BellSouth accepts (unless voided by BellSouth). Depending on the Subscriber's billing cycle, the term may begin in the current month or the month following, or the billing cycle that BellSouth completes the Subscriber's term agreement order.
- Subscriber under the Program that also subscribes to new service during the term will not be billed for line connection charges associated with the service order. This will include the Line Connection Charge (first and additional lines) and the Charge for Change in Service, if applicable.
- Service charges do not apply for transactions that only involve additions, deletions or changes to the services or features provided as part of a Complete Choice® for Business package.
- In the event the Subscriber discontinues or terminates any component or element of the Program, the Subscriber will no longer receive Program discounts and will pay the rates set forth in the tariffs or the Service Agreements, Service Descriptions and Price Lists (in detariffed or deregulated jurisdictions, as the case may be); and the Subscriber agrees to pay termination charges to BellSouth as provided below based upon the number of months remaining on the term. In addition, Subscriber agrees to pay any termination charges associated with a BellSouth Long Distance agreement, if applicable, and the AT&T MIS agreement. Program termination charges (not including BellSouth Long Distance or AT&T MIS agreement termination charges) will appear on the Subscriber's final bill or a subsequent bill as a charge in the OC&C section. If applicable, BellSouth Long Distance and AT&T MIS agreement termination charges will be charged separately. Payment of the Program termination charges does not release the Subscriber from other previous amounts owed to BellSouth.

Set charge to be multiplied by number of months remaining on term: \$35

- Unless the Subscriber notifies BellSouth in writing of its intent not to renew for another like term under the Program at least 60 (sixty) days prior to expiration, then upon expiration of the initial term, the Subscriber term election agreement shall automatically renew for another term. BellSouth will provide written and/or verbal reminders to the Subscriber of the Subscriber term election agreement expiration date and the automatic renewal provision beginning approximately 180 days prior to its expiration depending upon the Subscriber's billing cycle. If the Subscriber does not renew the Subscriber Agreement for another term or at the expiration of the renewed term, the Subscriber agrees to pay full tariffed charges for services.
- In tariffed states, the term agreement is subject to and controlled by the provisions of BellSouth's lawfully filed tariffs, including any changes therein as may be made from time to time; in detariffed or deregulated states this Program and the Subscriber Agreement is controlled by the terms set forth in the Agreement.
- Subscriber and BellSouth acknowledge and agree that to the extent the services to which Subscriber subscribes under this Agreement are deregulated or detariffed, all references to "BellSouth's General Subscriber Services Tariff," "BellSouth tariffs," "BellSouth's lawfully filed tariffs," or any other references to BellSouth's tariffs on file with the appropriate regulatory authority shall be deemed references to agreed contract terms and conditions identical to those set forth in the applicable tariff for services subscribed by Subscriber as such tariffs existed as of the effective date of deregulation or detariffing. Such tariffed term and conditions are incorporated by reference as if fully included herein.

Promotion Restrictions/Eligibility Requirements

- If Subscriber doesn't install new AT&T MIS service within 60 (sixty) days from the order date, the Subscriber will be removed from the Program and will be charged the discounts received.
- Subscriber may only have or subscribe to a minimum 5-line Complete Choice® for Business Package at enrollment.
- Discounts apply only to BellSouth Complete Choice® for Business total billed charges within a state, not across states.
- The AT&T MIS service must be at the same location as the Complete Choice for Business package and BellSouth Long Distance services.

- Subscribers participating in a Product Level or Volume and Term CSA are NOT eligible to participate in this Program.
- Subscribers with aggregate annual billing of BellSouth services exceeding \$65,000 at the time of enrollment, are not eligible to participate in this Program.
- This Program may not be used concurrently with any previous or existing local exchange service term election agreement programs, unless otherwise stated.
- However, Subscribers currently participating under an existing BellSouth Business Promotion local exchange term election agreement may migrate to this Program without incurring any termination liability at any time during the term of the existing program, if the Subscriber agrees to a Program 36-month term agreement that provides for an equal or greater number of business access lines than under the Subscriber's existing local exchange term agreement. The new Program 36-month term agreement will be based upon monthly business access line rates in effect at the time the new Program 36-month term agreement is effective.
- BellSouth reserves the right to terminate this program at any time; provided, however, that Subscribers participating in the program will continue to receive this Program for the remaining term of their term agreement.
- The BellSouth Complete Choice® for Business Enhanced Answers(SM) Bundle Subscriber Agreement shall not be altered, modified or amended in any respect; any Subscriber changes have no effect.
- Subscriber understands that its signature on the Program term agreement constitutes the Subscriber's enrollment in the Program under this term agreement and the applicable tariffs; the signatory must have authority to commit its company to the term agreement.
