RULES AND REGULATIONS

(F)
(F)

C. ESTABLISHMENT AND FURNISHING OF SERVICE (cont'd)

13. Temporary Suspension of Business and Residence Service (Vacation Service)

(C)

a. General

(1) Upon request, a subscriber to ~~business or residence~~ service may arrange for the temporary suspension of such service, except when subject to initial service period.

(C)

~~(a) For residence service~~ (a) The temporary suspension is not applicable for periods less than two (2) months nor for more than eight (8) months in a calendar year.

(T)
(F)

~~(b) For business service the suspension is not applicable for periods less than one (1) month nor for more than six (6) months in a calendar year.~~

(D)
(FD)

(2) Local or long distance service is not furnished during the period of suspension. At the request of the subscriber, inward calls to a station at which service is suspended may be referred to the call number of another station in the same or a distant exchange.

(3) The charge for the total suspension period may be collected in advance.

(4) There is no reduction in the charge for foreign central office line mileage or foreign exchange line mileage during the period of suspension.

(5) No allowance is made in the charges for additional listings except when the service under the main contract is temporarily suspended.

(6) Whenever the period of disconnection is less than the minimum period, the charge levied by the Company will not exceed the regular rate for the service.

~~(7) Where the subscriber is an emergency oriented organization, the primary mission of which is the preservation of life or property and is government funded, and the normal use of the service is limited to emergency situations, and kept on a standby basis during nonemergency times, the six month maximum is waived.~~

(D)
|
(D)

b. Application of Charges

~~(1) Residence Service~~

(T)

The monthly charge for residence access line service or any part billed on the same account during the period of suspension is fifty percent (50%) of the rate regularly charged \$10.00.

(D)

b. ~~Application of Charges (cont'd)~~

~~(2)~~ Business Service

~~(a)~~ The charge for business access line service or any part billed on the same account during the period of suspension is fifty percent (50%) of the rates regularly charged.

(+)
(+)

~~(b)~~ The minimum charge for any calendar year shall be three-fourths of the annual rate except where the subscriber is an emergency oriented organization, the primary mission of which is the preservation of life or property and is government funded, and use of the suspended service is limited to emergency situations and kept on a standby basis during nonemergency times except during testing by the subscriber.

(D)

14. Termination of Service at the Subscriber's Request

(+)

Service may be terminated at any time upon reasonable notice from the subscriber to the Company. Upon such termination the subscriber shall be responsible for the payment of all charges due. This includes all charges due for the period service has been rendered plus any unexpired portion of an initial service period or applicable termination charges, or both.
