ORDER AMENDING CERTIFICATE TO INCLUDE  
ADDITIONAL TERRITORY

BY THE COMMISSION:

On September 7, 1989, Brendenwood Water System (Brendenwood or Utility) filed an application with the Commission to amend its Certificate No. 339-W to include additional territory in Lake County, Florida, pursuant to the provisions of Section 367.061, Florida Statutes.

On August 1, 1989, Brendenwood notified certificated utilities and appropriate governmental agencies in Lake County of its intention to amend its Certificate to include the territory described in Appendix A, attached to this Order. Proof of Notification has been furnished by the Utility.

Notice of the Utility's intent to extend its service area was published in The Daily Commercial, a newspaper of general circulation, published in Lake County, Florida, on August 2, 9, and 16, 1989. The notice, as published, incorrectly stated that interested persons had 20 days, instead of 30 days, in which to object to the proposed extension. Brendenwood renoticed in the Daily Commercial on October 22, 29, and November 5, 1989. No protests to this application were received within the prescribed time period.

The appropriate filing fee has been paid, and the Utility is ready, willing and able to provide service in the territory for which it has applied. The application has been reviewed and found to be in compliance with the statutory requirements. Accordingly, we find it is in the public interest to amend Certificate No. 339-W to include the territory described in Appendix A to this Order, which by reference is incorporated herein.

It is, therefore,
