ORDER AMENDING CERTIFICATES TO INCLUDE
ADDITIONAL TERRITORY

BY THE COMMISSION:

On December 26, 1989, Jacksonville Suburban Utilities Corporation (Jacksonville Suburban or Utility) filed an application with the Commission to amend Certificates Nos. 236-W and 179-S to include additional territory in Duval County, Florida, pursuant to the provisions of Section 367.061, Florida Statutes.

Section 367.061, Florida Statutes, states that a utility must file an application for amendment of certificates within one year of the last notice. Jacksonville Suburban notified certificated utilities and appropriate governmental agencies in Duval County on June 8, 1988, of its intention to amend its Certificates to include the territory described in Appendix A, attached to this Order. Notice of the Utility's intent to extend its service area was also published in the Financial News and Daily Record, a newspaper of general circulation, published in Duval County, Florida, on June 13, 20, and 27, 1988.

Since it was unable to complete construction within one year, Jacksonville Suburban filed a request with this Commission on June 27, 1989, for an extension of time in which to file its application. Order No. 21720, issued August 11, 1989, granted Jacksonville Suburban an extension of one hundred and eighty days. As stated previously, the Utility filed its application on December 26, 1989.

The appropriate filing fee has been paid, and the Utility is ready, willing and able to provide service in the territory for which it has applied. The application has been reviewed and found to be in compliance with the statutory requirements. Further, no protests to the extension have been received. Therefore, we find it is in the public interest to amend Certificates Nos. 236-W and 179-S to include the territory described in Appendix A to this Order, which by reference is incorporated herein.
