ORDER APPROVING CHANGE IN NAME OF UTILITY

BY THE COMMISSION:

By Order No. 5707, issued April 6, 1973, the Commission granted Water Certificate No. 129-W to James L. and Leta M. Nolton d/b/a Bayshore Utility Company. On March 10, 1975, the utility was incorporated by the Division of Corporations under the name of Bayshore Utilities, Inc. On January 29, 1990, the utility filed a request to have the name on its water certificate changed to reflect its actual name of incorporation. Our inquiry of the incorporation records and of the applicants themselves indicate that no change in ownership has taken place.

The utility also stated that its address on the certificate is incorrect, and that its proper address is 1628 Ardmore Road, Fort Myers, Florida 33901. The utility submitted its certificate along with its request. Based on the foregoing, the utility's request to change the name on Certificate No. 129-W to Bayshore Utilities, Inc. and to correct the address is hereby approved.

It is, therefore,

ORDERED by the Florida Public Service Commission that the request to change the name of James L. and Leta M. Nolton d/b/a Bayshore Utility Company on Certificate No. 129-W to Bayshore Utilities, Inc. and to correct the address is hereby approved. It is further

ORDERED that this docket shall be closed.
