NOTICE OF PROPOSED AGENCY ACTION
ORDER CANCELLING CERTIFICATE NO. 2041

BY THE COMMISSION:

Notice is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for formal proceeding pursuant to Rule 25-22.029, Florida Administrative Code.

On March 29, 1990, Robert M. Herman, P.A. (Herman) requested the cancellation of its Certificate of Public Convenience and Necessity number 2041.

The certificate was for the provision of shared tenant services (STS) on a key system with six (6) lines or less. Herman certifies that it is no longer sharing its telephone system with anyone outside of the business entity making the request. After review of this request, we have determined that Herman has paid its 1989 regulatory assessment fee (RAF), and no longer share its telephone system. Therefore, we grant the application for cancellation of Certificate of Public Convenience and Necessity No. 2041. Cancellation of this certificate will not affect Herman's obligation to pay any outstanding RAF for 1990.

This docket will be closed following expiration of the period specified below unless an appropriate petition for hearing, is filed by one whose substantial interests may or will be affected by this proposed agency action, as provided by Rules 25-22.029 and 25-22.036(7)(a), Florida Administrative Code.
