AMENDATORY ORDER

BY THE COMMISSION:

On April 9, 1990, this Commission issued Order No. 22784 amending Multi-county Certificates Nos. 444-W and 462-S to include additional territory in Charlotte, Desoto and Sarasota Counties. The table on Page 7 of Order No. 22784 incorrectly combined the residential and general service sewer rates for the Charlotte County portion of GDU's West Coast Division. Also, the table on Page 10 incorrectly combined the residential and general service water rates for the Sarasota County portion of GDU's West Coast Division. As a result some of the rates were omitted. The table on Page 7 of Order No. 22784 is, therefore, amended to reflect all of the residential and general service sewer rates for the Charlotte County portion of GDU's West Coast Division as follows:
