ORDER SUSPENDING PROCEDURAL DATES

Order No. 23453, issued September 7, 1990, established the controlling procedural dates for this proceeding. However, at the December 18, 1990, Agenda Conference, this Commission will consider a recommendation to approve revised service availability charges in resolution of the protest entered to PAA Order No. 23199, issued July 16, 1990. Therefore, it appears as though a hearing may be unnecessary.

In consideration of the above, I find it appropriate to suspend the following procedural dates which established in Order No. 23453 until further notice:

Company testimony and exhibits	12/20/90
Intervenor testimony and exhibits	01/30/91
Staff testimony and exhibits	02/15/91
Rebuttal testimony	03/07/91
Prehearing statements	03/15/91

It is, therefore,

ORDERED by Commissioner Gerald L. Gunter, as Prehearing Officer, that the procedural dates set forth in the body of this Order are hereby suspended until further notice.

By ORDER of Commissioner Gerald L. Gunter, as Prehearing Officer, this 19th day of DECEMBER, 1990.

 GERALD L. GUNTER, Commissioner,  
 as Prehearing Officer

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: 1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; 2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or 3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or sewer utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
