ORDER GRANTING AND DENYING IN PART  
MOTION FOR RECONSIDERATION OF ORDER NO. 23452

BY THE COMMISSION:

By Order No. 23452, issued September 7, 1990, we established a schedule for each local exchange company (LEC) to file Modified Minimum Filing Requirements (MMFRs) as required by Chapter 90-244, Laws of Florida, (1990). On September 24, 1990, Southern Bell Telephone and Telegraph Company (Southern Bell) filed a Motion for Reconsideration of that Order requesting that its filing date be changed from March 31, 1991 to "on or before September 30, 1991." In support of its motion, Southern Bell states that, because its financial results for 1990 will not be available until mid-February, it will be extremely difficult to file its MMFR's by March 31, 1990.

Order No. 23452 directs the our staff to open a docket for each LEC and prepare a specific recommendation for the MMFRs which are to be filed and the exact filing date. The order also notes that circumstances may require modification of this schedule. We expect that Southern Bell will closely resemble the current set of regular MFRs. It appears that it would be very difficult to complete a regular set of MFRs after closing 1990's books and before March 31, 1990.

Upon consideration, we find it appropriate to grant in part and deny in part Southern Bell's motion. The motion is granted to the extent that the Company shall not be required to file its MMFRs on March 31, 1991. The specific date for filing shall be determined in the docket to be opened to address Southern Bell's MMFR filings.
