_____)

ORDER AMENDING PREHEARING PROCEDURE

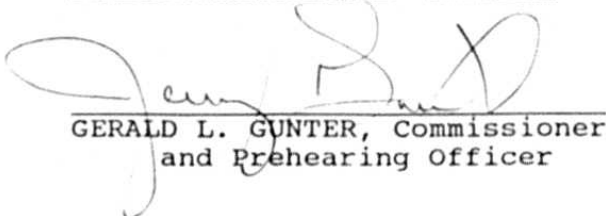

On September 28, 1990, Southern States Utilities, Inc., Deltona Utilities, Inc., and United Florida Utilities Corporation (Applicants) completed the minimum filing requirements for a general rate increase. This case is currently scheduled for an administrative hearing on February 11 through 15, 1991.

By Order No. 23787, issued November 21, 1990, the Prehearing Officer established a schedule to govern the key activities in this case. Since that time, there has been a change in the panel of Commissioners assigned to hear this case, including a change in Prehearing Officers. Accordingly, in order to accomodate the current Prehearing Officer's schedule, the prehearing conference has been changed from January 10, 1991, to January 22, 1991. In addition, since there is no longer any reason to require prehearing statements on January 4, 1991, the prehearing statement due date is hereby amended to January 15, 1991. All other provisions of Order No. 23787 remain unaffected by this Order.

It is, therefore,

ORDERED by Commissioner Gerald L. Gunter, as Prehearing Officer, that Order No. 23787 is hereby amended to reflect the schedule changes as set forth in the body of this Order.

By ORDER of Commissioner Gerald L. Gunter, as Prehearing Officer, this 28th day of DECEMBER, 1990.

GERALD L. GUNTER, Commissioner
and Prehearing Officer

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: 1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; 2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or 3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or sewer utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
