ORDER INDICATING EXEMPT STATUS  
OF CORAL CLUB APARTMENTS AND CLOSING DOCKET

BY THE COMMISSION:

On September 6, 1995, Coral Club Apartments (Coral Club) filed an application with this Commission for recognition of its exempt status, pursuant to Section 367.022(8), Florida Statutes. Coral Club is a 293-unit apartment complex located at 1001 Coral Springs, Coral Springs, Florida. Coral Club is owned by Coral Club Joint Venture (CCJV). Mr. Joel L. Altman, President of Altman Development Corporation (General Partner of CCJV), filed the application on behalf of Coral Club. The primary contact person is Mr. Frank R. Manno, Conservation Billing Services, Inc. (CBSI).

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.022(8), Florida Statutes, and Rule 25-30.060(1), (2) and (3)(h), Florida Administrative Code. Section 367.022(8), Florida Statutes, states, in part, that "[a]ny person who resells water or wastewater service at a rate or charge which does not exceed the actual purchase price thereof," and who complies with certain reporting requirements, is exempt from Commission regulation.

According to Coral Club's application, the service area is limited to the apartment complex located at 1001 Coral Springs, Coral Springs, Florida. Coral Club intends to purchase water and wastewater from Coral Springs Improvement District and resell it to its residents at a rate that does not exceed the actual purchase price. Meters will be installed on each apartment so that the residents will be charged for the actual amount of water used. CBSI has been retained to read the meters on a monthly basis and bill the residents accordingly on behalf of Coral Club. To determine the cost of service to common areas, average water and wastewater use over a three-month period is multiplied by twelve per cent. This amount is divided by the total number of units (293) so that each apartment is charged the same. Coral Club is responsible for service to vacant apartments. No administrative or

processing fees or miscellaneous charges will be charged to the residents.

Coral Club is aware of the requirements of Section 367.122, Florida Statutes, and Rules 25-30.111 and 25-30.262 through 25-30.267, Florida Administrative Code. In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Altman acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that Coral Club is exempt from our regulation pursuant to Section 367.022(8), Florida Statutes. However, the owner of Coral Club or any successors in interest are put on notice that if there is any change in circumstance or method of operation, it should inform the Commission within 30 days of such change so that its exempt status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Coral Club Apartments, c/o Conservation Billing Services, Inc., 90 South Newtown Street Road, Suite No. 3, Newtown Square, Pennsylvania 19073-4035, is hereby exempt from Commission regulation pursuant to the provisions of Section 367.022(8), Florida Statutes. It is further

ORDERED that Docket No. 951061-WS is hereby closed.

By ORDER of the Florida Public Service Commission, this 2nd day of February, 1996.
