SECOND AMENDATORY ORDER

By Order No. PSC-96-0663A-FOF-WS, issued June 13, 1996, we amended our order approving rates and charges (Order No. PSC-96-0663-FOF-WS) to Rotonda West Utility Corporation (Rotonda). The first amendatory order addressed the inclusion of Schedules 4-A, 4-B, 5-A and 5-B, and the discussion of Rotonda's Core Water Plant Site's dedication to public service.

Upon issuance of the first amendatory order, it was brought to our attention that there were several minor corrections which must be made to the attached schedules. Specifically, as to Schedules 4-A, 4-B, and 5-B, the indication of "Staff Recommended Rates" on those schedules shall be stricken, and substituted with "Commission Approved Rates." The revised schedules are included in this Order as Attachment A.

Furthermore, two corrections to Order No. PSC-96-0663-FOF-WS, are necessary. In the second sentence of the last paragraph of page 21, subtitled Water and Wastewater Rates, the word "recommended" shall be stricken, so that the sentence now reads, "These revenues exclude any miscellaneous revenues and reuse revenues as discussed herein." In the first full paragraph on page 22, the words "exclude any" shall be stricken and substituted with "include," so that the sentence now reads, "However, these revenues include miscellaneous and reuse revenues."

Orders Nos. PSC-96-0663-FOF-WS and PSC-96-0663A-FOF-WS are reaffirmed in all other respects.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Orders Nos. PSC-96-0663-FOF-WS and PSC-96-0663A-FOF-WS are hereby amended as set forth in this Order. It is further

ORDERED that Orders Nos. PSC-96-0663-FOF-WS and PSC-96-0663A-FOF-WS are reaffirmed in all other respects.
