ORDER ESTABLISHING PROCEDURE

On April 1, 1993, in Docket No. 921317-TL, the Commission issued Order No. PSC-93-0485-FOF-TL, approving the tariff filing of BellSouth Telecommunications, Inc., d/b/a Southern Bell Telephone and Telegraph Company (BellSouth) introducing Directory Assistance Database Service (DADS) and Directory Publishers Database Service (DPDS). This docket was opened when, on November 24, 1993, Florida Independent Directory Publishers (FIDP) filed a Petition and Complaint to Amend Directory Publishers Database Service Tariff of BellSouth Telecommunications, Inc., d/b/a Southern Bell Telephone and Telegraph Company. BellSouth filed a Motion to Dismiss the Petition and Complaint of FIDP on December 20, 1993. On May 25, 1994, in Order No. PSC-94-0641-FOF-TL, the Commission denied BellSouth's Motion to Dismiss. On March 29, 1996, following the breakdown of negotiations between the parties, the Commission issued Order No. PSC-96-0446-TL, in which it required certain amendments to BellSouth's DPDS tariff requested by FIDP in its petition. On April 11, 1996, the Commission issued Order No. PSC-96-0446A-FOF-TL, in which it deleted as unnecessary the requirement that BellSouth amend its Weekly Business Activity Reports (WBARs) to include residential listings. FIDP filed a Petition on Proposed Agency Action on April 19, 1996, with reference to the amendatory order. Thereupon, pursuant to Section 120.57(1), Florida Statutes, the matter was scheduled for hearing January 13, 1997.

(5) days of service of the discovery request. This procedure is intended to reduce delay in resolving discovery disputes.

C. All interrogatories, requests for admissions, and requests for production of documents shall be numbered sequentially in order to facilitate their identification. Unless subsequently modified by the Prehearing Officer, interrogatories, requests for production of documents, and requests for admissions shall each be limited to 75, including all subparts.

D. Any information provided pursuant to a discovery request for which proprietary confidential business information status is requested shall be treated by the Commission and the parties as confidential. The information shall be exempt from Section 119.07(1), Florida Statutes, pending a formal ruling on such request by the Commission, or upon the return of the information to the person providing the information. If no determination of confidentiality has been made and the information has not been made a part of the evidentiary record in the proceeding, it shall be returned expeditiously to the person providing the information. If a determination of confidentiality has been made and the information was not entered into the record of the proceeding, it shall be returned to the person providing the information within the time period set forth in Section 364.183(2), Florida Statutes.

E. The hearing in this docket is set for January 13, 1997. Unless authorized by the Prehearing Officer for good cause shown, all discovery shall be completed by January 3, 1997.

Diskette Filings

See Rule 25-22.028(1), Florida Administrative Code, for the requirements of filing on diskette.

Prefiled Testimony and Exhibits

Pursuant to Rule 25-22.048, Florida Administrative Code, each party shall prefile, in writing, all testimony that it intends to sponsor. Such testimony shall be typed on 8 1/2 inch x 11 inch transcript-quality paper, double spaced, with 25 numbered lines, on consecutively numbered pages, with left margins sufficient to allow for binding (1.25 inches).

Each exhibit intended to support a witness' prefiled testimony shall be attached to that witness' testimony when filed, identified by his or her initials, and consecutive numbers beginning with 1.

All other known exhibits shall be marked for identification at the prehearing conference. After an opportunity for opposing parties to object to introduction of the exhibits and to cross-examine the witness sponsoring them, exhibits may be offered into evidence at the hearing. Exhibits accepted into evidence at the hearing shall be numbered sequentially. The pages of each exhibit shall also be numbered sequentially prior to filing with the Commission.

An original and fifteen copies of all testimony and exhibits shall be filed with the Director, Division of Records and Reporting by the close of business, which is 5:00 p.m., on the date due. A copy of all prefiled testimony and exhibits shall be served by next-day express or hand delivery to all other parties and staff no later than the date filed with the Commission. Failure of a party to timely file exhibits and testimony of any witness in accordance with the foregoing requirements may bar admission of such exhibits and testimony.

Prehearing Statement

Pursuant to Rule 25-22.038(3), Florida Administrative Code, each party and staff shall file a prehearing statement. Prehearing statements shall include the following information in the following sequence:

- (a) the name of all known witnesses that may be called by the party, and the subject matter of their testimony;
- (b) a description of all known exhibits that may be used by the party, whether they may be identified on a composite basis, and the witness sponsoring each;
- (c) a statement of basic position in the proceeding;
- (d) a statement of each question of fact the petitioner or respondent considers at issue, the party's position on each such issue, and which of the party's witnesses will address the issue;
- (e) a statement of each question of law the petitioner or respondent considers at issue and the party's position on each such issue;
- (f) a statement of each policy question the petitioner or respondent considers at issue, the party's position on each such issue, and which of the party's witnesses will address the issue;

- (g) a statement of issues that have been stipulated to by the parties;
- (h) a statement of all pending motions or other matters the party seeks action upon; and
- (i) a statement as to any requirement set forth in this order that cannot be complied with, and the reasons therefor.

An original and fifteen copies of each prehearing statement shall be filed with the Director of the Division of Records and Reporting by the close of business, which is 5:00 p.m., on the date due. A copy of the prehearing statement shall be served on all other parties and staff, by next day express or hand delivery, no later than the date it is filed with the Commission. Failure of a party to timely file a prehearing statement shall constitute a waiver of any issue not raised by other parties or by the Commission. In addition, such failure shall preclude the party from presenting testimony in support of its position.

Prehearing Conference

A prehearing conference will be held in this docket at the Florida Public Service Commission, 4075 Esplanade Way, Betty Easley Conference Center, Tallahassee, Florida 32399-0850. The conditions of Rule 25-22.038(5)(b), Florida Administrative Code, shall be observed. Any party who fails to attend the prehearing conference, unless excused by the Prehearing Officer, will have waived all issues and positions raised in that party's prehearing statement.

Prehearing Procedure: Waiver of Issues

Any issue not raised by a petitioner or respondent prior to the issuance of the prehearing order shall be waived by that party, except for good cause shown. A petitioning or responding party seeking to raise a new issue after the issuance of the prehearing order shall demonstrate that: it was unable to identify the issue because of the complexity of the matter; due diligence was exercised to obtain facts touching on the issue; and introduction of the issue could not be to the prejudice or surprise of any party. Specific reference shall be made to the information received, and how it enabled the party to identify the issue.

When a party is unable to take a position on an issue, it shall bring that fact to the attention of the Prehearing Officer.

If the Prehearing Officer finds that the party has acted diligently and in good faith to take a position, and further finds that the party's failure to take a position will not prejudice other parties or confuse the proceeding, the party may maintain "no position at this time" prior to hearing and identify its position in a post-hearing statement of issues. In the absence of such a finding by the Prehearing Officer, the party shall have waived the entire issue. When an issue and position have been properly identified, any party may adopt that issue and position in its post-hearing statement.

Use of Confidential Information At Hearing

It is the policy of this Commission that all Commission hearings be open to the public at all times. The Commission also recognizes its obligation pursuant to Section 364.183, Florida Statutes, to protect proprietary confidential business information from disclosure outside the proceeding. Any party wishing to use any proprietary confidential business information, as that term is defined in Section 364.183(4), Florida Statutes, shall notify the Prehearing Officer and all parties of record by the time of the Prehearing Conference, or if not known at that time, no later than seven (7) days prior to the beginning of the hearing. Failure of any party to comply with the seven day requirement described above

shall be grounds to deny the party the opportunity to present evidence which is proprietary confidential business information.

When confidential information is used in the hearing, parties must have copies for the Commissioners, necessary staff, and the Court Reporter, in envelopes clearly marked with the nature of the contents. Any party wishing to examine the confidential material that is not subject to an order granting confidentiality shall be provided a copy in the same fashion as provided to the Commission, subject to execution of any appropriate protective agreement with the owner of the material. Counsel and witnesses are cautioned to avoid verbalizing confidential information in such a way that would compromise the confidential information. Therefore, confidential information should be presented by written exhibit when reasonably possible to do so. At the conclusion of that portion of the hearing that involves confidential information, all copies of confidential exhibits shall be returned to the offering party. If a confidential exhibit has been admitted into evidence, the copy provided to the Court Reporter shall be retained in the Division of Records and Reporting's confidential files.

Based upon the foregoing, it is

ORDERED by Commissioner Diane K. Kiesling, as Prehearing Officer, that the provisions of this Order shall govern this proceeding unless modified by the Commission.

By ORDER of Commissioner Diane K. Kiesling, as Prehearing Officer, this 15th day of November, 1996.
