ORDER INDICATING EXEMPT STATUS
OF MISSION CLUB APARTMENTS AND CLOSING DOCKET

BY THE COMMISSION:

On May 20, 1996, Mission Club Apartments (Mission Club) filed an application with this Commission for recognition of its exempt status, pursuant to Section 367.022(8), Florida Statutes. Mission Club is a 367-unit apartment complex located at 6739 Mission Club Boulevard, Orlando, Florida. Mission Club is owned by Mission Club Apartments General Partnership. The general partners are The Western and Southern Life Insurance Company and ILM Enterprises, Inc. Mr. Thomas L. Cavanaugh, of ILM Enterprises, Inc., filed the application on behalf of Mission Club. The primary contact person is Cindy T. Darling of WaterMaster Metering Systems, Inc.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.022(8), Florida Statutes, and Rule 25-30.060(1), (2) and (3)(h), Florida Administrative Code. Section 367.022(8), Florida Statutes, states, in part, that "[a]ny person who resells water or wastewater service at a rate or charge which does not exceed the actual purchase price thereof," and who complies with certain reporting requirements, is exempt from Commission regulation.

According to the application, Mission Club provides service only to the apartment complex located at 6739 Mission Club Boulevard, Orlando, Florida. Mission Club intends to purchase water and wastewater from Orange County and resell it to its residents at a rate that does not exceed the actual purchase price. The apartment complex has 15 two-inch master meters. The residents will be charged a prorated share of the base rates charged by the County. In addition, meters have been installed on each apartment so that the residents will be charged for the actual amount of water used. Watermaster Metering Systems, Inc. has been retained to read the meters on a monthly basis and bill the residents accordingly on behalf of Mission Club. Mission Club will be

responsible for service to common areas and vacant apartments. No administrative or processing fees or miscellaneous charges will be charged to the residents and no customer deposits will be collected.

Mission Club is aware of the requirements of Section 367.122, Florida Statutes, and Rules 25-30.111 and 25-30.262 through 25-30.267, Florida Administrative Code. In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Cavanaugh acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that Mission Club is exempt from our regulation pursuant to Section 367.022(8), Florida Statutes. However, the owner of Mission Club or any successors in interest are put on notice that if there is any change in circumstance or method of operation which causes it to no longer qualify for exemption pursuant to Section 367.022, Florida Statutes, it should inform the Commission within 30 days of such change so that its status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Mission Club Apartments, 6739 Mission Club Boulevard, Orlando, Florida 32821, is hereby exempt from Commission regulation pursuant to the provisions of Section 367.022(8), Florida Statutes. It is further

ORDERED that Docket No. 960628-WS is hereby closed.
