ORDER GRANTING MOTION FOR EXTENSION OF TIME

On November 1, 1996, LDM Sytems, Inc. (LDM) filed a Motion for Extension of Time to respond to the Commission's Order to Show Cause, Order No. PSC-96-1297-FOF-TI, issued October 21, 1996. That Order directed LDM to show cause by November 11, 1996, why it should not be fined for apparent violations of the Commission's slamming rules. LDM states in its motion that it has recently retained local counsel to review this case, and thus needs additional time to prepare a complete response. Commission staff informs me that LDM's new counsel would also like the additional time to prepare and discuss with staff possible settlement proposals in the case.

I grant LDM's Motion for Extension of Time for 30 days from the date of issuance of this Order. I will not grant LDM further extensions to file a response to Order No. PSC-96-1297-FOF-TI, except for very good cause.

By ORDER of Commissioner Joe Garcia, as Prehearing Officer, this 19th day of November, 1996.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
