ORDER INDICATING NONJURISDICTIONAL STATUS  
OF CAMP FLYING EAGLE

BY THE COMMISSION:

On March 15, 1996, Camp Flying Eagle filed an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. Camp Flying Eagle is a boy scout camp located at 16009 Upper Manatee River Road, Bradenton, Florida. The camp is owned by the Boy Scouts of America. Mr. B. L. Platt, Property Superintendent, and primary contact person, filed the application on behalf of Camp Flying Eagle. On September 3, 1996, Camp Flying Eagle refiled its application over the signature of Mr. John M. Akerman, corporate officer of the South Florida Council, Inc., Boy Scouts of America.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(2) and (3)(j), Florida Administrative Code.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

According to Camp Flying Eagle's application, water service is provided only to the camp located at 16009 Upper Manatee River Road, Bradenton, Florida; there is no charge for providing the service; and all costs of providing service are treated or recovered as operational expenses. Wastewater service is provided by septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Akerman acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that Camp Flying Eagle is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. Accordingly, Camp Flying Eagle is not subject to this Commission's jurisdiction. However, the owner of Camp Flying Eagle or any successors in interest are put on notice that if there is any change in circumstance or method of operation which causes it to no longer qualify for exemption pursuant to Section 367.022, Florida Statutes, it should inform the Commission within 30 days of such change so that its status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Camp Flying Eagle, 16009 Upper Manatee River Road, Bradenton, Florida 34202, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that this Docket shall remain open to process additional applications.

By ORDER of the Florida Public Service Commission, this 27th day of November, 1996.
