Pursuant to Section 364.33, Florida Statutes, a person may not acquire ownership or control of any telecommunications facility, or any extension thereof for the purpose of providing telecommunications services to the public, including the acquisition, transfer, or assignment of majority organizational control or controlling stock ownership, without prior approval from this Commission.

On September 30, 1996, Intellicall Operator Services (IOS), Inc. filed its request for Commission approval of the transfer of 100 percent of its stock, owned by Intellicall, to a subsidiary of Intellicall Operator Services, Inc., ILD Communications, Inc. (ILD). IOS states that the proposed stock transfer is part of a plan to bring in new investors in order to expand and improve IOS's services. IOS attests that the proposed stock transfer will have no effect on service provided or rates charged to its customers nor a change in the name of the certificate holder.
