APPROVAL OF TARIFF TO ADD AN UNLIMITED DATA
USAGE OPTION TO ADVANCED DATA SERVICES

ALLTEL Florida, Inc. requests to add an unlimited data usage option to its Advanced Data Services (its Integrated Services Digital Network (ISDN) service). This option will allow high volume ISDN users that subscribe to two B channels the option of unlimited data usage for a fixed monthly rate. Under this option, ALLTEL will give heavy business users (those having over 80 hours usage per month) the option of purchasing unlimited usage for \$95.00 per month. Currently, customers pay \$.02 per minute for usage exceeding 80 hours. The proposed flat rate option would provide savings to business customers, whose usage exceeds 160 hours per month.

Thus, upon consideration, we approve ALLTEL Florida, Inc.'s request to add an unlimited data usage option to its Advanced Data Services, effective December 17, 1996. If a protest is filed within 21 days from the issuance of this order, this tariff shall remain in effect with any revenues from this service held subject to refund pending resolution of the protest. If no protest is timely filed, this docket should be closed.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that ALLTEL Florida, Inc. may introduce an unlimited data usage option into its Advanced Data Service tariff. It is further
