BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Request for review of
proposed numbering plan relief
for 813 area code.

DOCKET NO. 980048-TL
ORDER NO. PSC-98-0096-PCO-TL
ISSUED: January 15, 1998

ORDER ESTABLISHING PROCEDURE

On November 17, 1997, GTE Florida, Inc. (GTE), the numbering administrator of the North American Numbering Plan (NANP) for the 813 area code, notified the Commission that the 813 area code would exhaust its remaining available numbers sooner than expected. GTE reported that representatives of Central Florida's telecommunications service providers had agreed that relief from the imminent exhaustion should be accomplished through an overlay relief plan. The overlay relief plan would encompass the same geographic area as the current 813 area code. All new numbers issued after October 1, 1998, would receive the new area code. Old numbers would retain 813. Under the overlay plan, current customers would not be required to change their area code, but all customers would be required to dial all local calls as ten digits, within and between area codes.

Usually, the Commission does not formally review area code relief plans unless a specific dispute over what plan should be implemented arises between affected members of the industry. The Commission will defer to the industry consensus. In this case, however, the Commission held informational workshops on January 8, 1998 in Tampa and St. Petersburg. During those workshops, State Senator Jack Latvala and several other consumers objected to the proposed plan and asked the Commission to review it. Because the overlay will require ten digit dialing of all local calls, which may be confusing to customers, it is in the public interest for the Commission to review this particular plan. Accordingly, this matter is currently set for an administrative hearing.

The scope of this proceeding shall be based upon the issues raised by the parties and Commission staff (staff) up to and during the prehearing conference, unless modified by the Commission. The hearing will be conducted according to the provisions of Chapter 120, Florida Statutes, and the rules of this Commission.

FPSC-RECORDS/REPORTING

Discovery

a. When discovery requests are served and the respondent intends to object to or ask for clarification of the discovery request, the objection or request for clarification shall be made within five days of service of the discovery request. This procedure is intended to reduce delay in resolving discovery disputes.

b. The hearing in this docket is set for February 24, 1998. Unless authorized by the Prehearing Officer for good cause shown, all discovery shall be completed by February 22, 1998. All interrogatories, requests for admissions, and requests for production of documents shall be numbered sequentially in order to facilitate their identification. The discovery requests will be numbered sequentially within a set and any subsequent discovery requests will continue the sequential numbering system. Unless subsequently modified by the Prehearing Officer, the following shall apply: interrogatories, including all subparts, shall be limited to 50, and requests for production of documents, including all subparts, shall be limited to 50.

c. Any information provided pursuant to a discovery request for which proprietary confidential business information status is requested shall be treated by the Commission and the parties as confidential. The information shall be exempt from Section 119.07(1), Florida Statutes, pending a formal ruling on such request by the Commission, or upon the return of the information to the person providing the information. If no determination of confidentiality has been made and the information has not been made a part of the evidentiary record in the proceeding, it shall be returned expeditiously to the person providing the information. If a determination of confidentiality has been made and the information was not entered into the record of the proceeding, it shall be returned to the person providing the information within the time period set forth in Section 364 183(2), Florida Statutes.

d. Because of the limited time available to conduct this proceeding, responses to discovery shall be due within 10 days of service of the discovery request, unless extended by the Prehearing Officer for good cause shown.

Diskette Filings

See Rule 25-22.028(1), Florida Administrative Code, for the requirements of filing on diskette for certain utilities.

Prefiled Testimony and Exhibits

Pursuant to Rule 25-22.048, Florida Administrative Code, each party shall prefile, in writing, all testimony that it intends to sponsor. Such testimony shall be typed on 8 1/4 inch x 11 inch transcript-quality paper, double spaced, with 25 numbered lines, on consecutively numbered pages, with left margins sufficient to allow for binding (1.25 inches).

Each exhibit intended to support a witness' prefiled testimony shall be attached to that witness' testimony when filed, identified by his or her initials, and consecutively numbered beginning with 1. All other known exhibits shall be marked for identification at the prehearing conference. After an opportunity for opposing parties to object to introduction of the exhibits and to cross-examine the witness sponsoring them, exhibits may be offered into evidence at the hearing. Exhibits accepted into evidence at the hearing shall be numbered sequentially. The pages of each exhibit shall also be numbered sequentially prior to filing with the Commission.

An original and fifteen copies of all testimony and exhibits shall be prefiled with the Director, Division of Records and Reporting by the close of business, which is 5:00 p.m., on the date due. A copy of all prefiled testimony and exhibits shall be served by mail or hand delivery to all other parties and staff no later than the date filed with the Commission. Failure of a party to timely prefile exhibits and testimony from any witness in accordance with the foregoing requirements may bar admission of such exhibits and testimony.

Prehearing Statement

Pursuant to Rule 25-22.038(3), Florida Administrative Code, a prehearing statement shall be required of all parties in this docket. Staff will also file a prehearing statement. The original and fifteen copies of each prehearing statement shall be prefiled with the Director of the Division of Records and Reporting by the

close of business, which is 5:00 p.m., on the date due. A copy of the prehearing statement shall be served on all other parties and staff no later than the date it is filed with the Commission. Failure of a party to timely file a prehearing statement shall be a waiver of any issue not raised by other parties or by the Commission. In addition, such failure shall preclude the party from presenting testimony in support of its position. Such prehearing statements shall set forth the following information in the sequence listed below.

(a) the name of all known witnesses that may be called by the party, and the subject matter of their testimony;

(b) a description of all known exhibits that may be used by the party, whether they may be identified on a composite basis, and the witness sponsoring each;

(c) a statement of basic position in the proceeding;

(d) a statement of each question of fact the party considers at issue, the party's position on each such issue, and which of the party's witnesses will address the issue;

(e) a statement of each question of law the party considers at issue and the party's position on each such issue;

(f) a statement of each policy question the party considers at issue, the party's position on each such issue, and which of the party's witnesses will address the issue;

(g) a statement of issues that have been stipulated to by the parties;

(h) a statement of all pending motions or other matters the party seeks action upon; and

(I) a statement as to any requirement set forth in this order that cannot be complied with, and the reasons therefore.

Prehearing Conference

A prehearing conference will be held in this docket at the Florida Public Service Commission, 2540 Shumard Oak Boulevard Tallahassee, Florida 32399-0850. The conditions of Rule 25-22.038(5)(b), Florida Administrative Code, shall be observed. Any party who fails to attend the prehearing conference, unless excused by the Prehearing Officer, will have waived all issues and positions raised in that party's prehearing statement.

Prehearing Procedure: Waiver of Issues

Any issue not raised by a party prior to the issuance of the prehearing order shall be waived by that party, except for good cause shown. A party seeking to raise a new issue after the issuance of the prehearing order shall demonstrate that: it was unable to identify the issue because of the complexity of the matter; discovery or other prehearing procedures were not adequate to fully develop the issue; due diligence was exercised to obtain facts touching on the issue; information obtained subsequent to the issuance of the prehearing order was not previously available to enable the party to identify the issue; and introduction of the issue could not be to the prejudice or surprise of any party. Specific reference shall be made to the information received, and how it enabled the party to identify the issue.

Unless a matter is not at issue for that party, each party shall diligently endeavor in good faith to take a position on each issue prior to issuance of the prehearing order. When a party is unable to take a position on an issue, it shall bring that fact to the attention of the Prehearing Officer. If the Prehearing Officer finds that the party has acted diligently and in good faith to take a position, and further finds that the party's failure to take a position will not prejudice other parties or confuse the proceeding, the party may maintain "no position at this time" prior to hearing and thereafter identify its position in a post-hearing statement of issues. In the absence of such a finding by the Prehearing Officer, the party shall have waived the entire issue. When an issue and position have been properly identified, any party may adopt that issue and position in its post-hearing statement.

Document Identification

To facilitate the management of documents in this docket, exhibits will be numbered at the Prehearing Conference. Each exhibit submitted shall have the following in the upper right-hand corner: the docket number, the witness's name, the word "Exhibit" followed by a blank line for the exhibit number and the title of the exhibit.

An example of the typical exhibit identification format is as follows:

Docket No. 12345-TL
J. Doe Exhibit No. _____
Cost Studies for Minutes of Use by Time of Day

Tentative Issues

Attached to this order as Appendix "A" is staff's proposal of issues to be considered in this proceeding. At staff's issue identification workshop to be held on January 21, 1998, parties will have the opportunity to refine these issues. Prefiled testimony and prehearing statements shall address the issues established during the issue identification workshop.

Use of Confidential Information At Hearing

It is the policy of this Commission that all Commission hearings be open to the public at all times. The Commission also recognizes its obligation pursuant to Section 364.183, Florida Statutes, to protect proprietary confidential business information from disclosure outside the proceeding. Any party wishing to use any proprietary confidential business information, as that term is defined in Section 364.183(4), Florida Statutes, shall notify the Prehearing Officer and all parties of record by the time of the Prehearing Conference, or if not known at that time, no later than seven (7) days prior to the beginning of the hearing. The notice shall include a procedure to assure that the confidential nature of the information is preserved as required by statute. Failure of any party to comply with the seven day requirement described above shall be grounds to deny the party the opportunity to present evidence which is proprietary confidential business information.

When confidential information is used in the hearing, parties must have copies for the Commissioners, necessary staff, and the Court Reporter, in envelopes clearly marked with the nature of the contents. Any party wishing to examine the confidential material that is not subject to an order granting confidentiality shall be provided a copy in the same fashion as provided to the Commissioners, subject to execution of any appropriate protective agreement with the owner of the material. Counsel and witnesses are cautioned to avoid verbalizing confidential information in such a way that would compromise the confidential information. Therefore, confidential information should be presented by written exhibit when reasonably possible to do so. At the conclusion of that portion of the hearing that involves confidential information, all copies of confidential exhibits shall be returned to the proffering party. If a confidential exhibit has been admitted into evidence, the copy provided to the Court Reporter shall be retained in the Division of Records and Reporting's confidential files.

Post-Hearing Procedures

Rule 25-22.056(3), Florida Administrative Code, requires each party to file a post-hearing statement of issues and positions. A summary of each position of no more than 50 words, set off with asterisks, shall be included in that statement. If a party's position has not changed since the issuance of the prehearing order, the post-hearing statement may simply restate the prehearing position; however, if the prehearing position is longer than 50 words, it must be reduced to no more than 50 words. The rule also provides that if a party fails to file a post-hearing statement in conformance with the rule, that party shall have waived all issues and may be dismissed from the proceeding.

A party's proposed findings of fact and conclusions of law, if any, statement of issues and positions, and brief, shall together total no more than 60 pages, and shall be filed at the same time. The prehearing officer may modify the page limit for good cause shown. Please see Rule 25-22.056, Florida Administrative Code, for other requirements pertaining to post-hearing filings.

Based upon the foregoing, it is

ORDERED by Chairman Julia L. Johnson, as Prehearing Officer, that the provisions of this Order shall govern this proceeding unless modified by the Commission.

By ORDER of Chairman Julia L. Johnson, as Prehearing Officer, this 15th day of January, 1998.

JULIA L. JOHNSON
Chairman and Prehearing Officer

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: 1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; 2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or 3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
