NOTICE OF PROPOSED AGENCY ACTION
ORDER APPROVING EXEMPTION FROM
REQUIREMENT THAT EACH TELEPHONE STATION
SHALL ALLOW INCOMING CALLS

BY THE COMMISSION:

NOTICE IS HEREBY GIVEN by the Florida Public Service
Commission that the action discussed herein is preliminary in
nature and will become final unless a person whose interests are
substantially affected files a petition for a formal proceeding,
pursuant to Rule 25-22.029, Florida Administrative Code.

Under Rule 25-24.515(8), Florida Administrative Code, pay
telephones must allow incoming calls to be received unless they are
located at a confinement facility, hospital, school, or another
location specifically exempted by this Commission. Requests for an
exemption from this requirement must be accompanied by an
attestation by the owner of the pay telephone, the location
provider, and the chief of the responsible law enforcement agency
that the request is made to deter criminal activity at that pay
telephone.

BellSouth Public Communications, Inc., ("BPC") has filed a Request for Exemption from the requirement that each telephone station shall allow incoming calls for the pay telephone listed below. The request includes an attestation by BPC, the location provider, and the chief of police that the request is made in order to deter criminal activity facilitated by incoming calls being received at that pay telephone.

<u>LOCATION</u>	<u>CITY</u>	<u>TELEPHONE NUMBER</u>
501 SE 18th Street	Gainesville, FL	352 376 9156

The Request for Exemption was filed on March 11, 1998. The Notice of Request for Exemption was submitted to the Secretary of State for publication in the Florida Administrative Weekly pursuant to Section 120.542, Florida Statutes. No comments were submitted during the comment period, which ended April 17, 1998.

Upon consideration, it appears appropriate to grant BPC's request. BPC has demonstrated that this waiver is in the public interest under Sections 364.01 and 364.3375, Florida Statutes, in an effort to prevent criminal activity. Further, BPC has demonstrated that the enforcement of the incoming call requirement would result in substantial hardship for BPC as the requirement would allow the payphone to be used for continuing criminal activity. Pursuant to Rule 25-24.515(8), Florida Administrative Code, BPC must provide central office based intercept at no charge to the end user and must display a notice on each affected pay telephone stating, "Incoming calls blocked at the request of law enforcement."

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that BellSouth Public Communications, Inc.'s request to block incoming calls at the pay telephones listed in the body of this Order is hereby approved. It is further

ORDERED that BellSouth Public Communications, Inc., shall provide central office based intercept at no charge to the end user at the pay telephones where incoming calls cannot be received. It is further
