In re: Purchased Gas Adjustment  
(PGA) True-up.

DOCKET NO. 980003-GU  
ORDER NO. PSC-98-1677-CFO-GU  
ISSUED: December 10, 1998

ORDER GRANTING CONFIDENTIAL CLASSIFICATION FOR PORTIONS OF CITY  
GAS COMPANY OF FLORIDA'S PURCHASED GAS ADJUSTMENT  
FOR APRIL, 1997, to MARCH, 1998 (DOCUMENT NO. 10023-98)

Pursuant to Section 366.093, Florida Statutes and Rule 25-22.006, Florida Administrative Code, City Gas Company of Florida (City Gas) filed a request for confidential classification for portions of its April, 1997, to March, 1998, Purchased Gas Adjustment (PGA) true-up filings contained in Document No. 10023-98. City Gas requests confidential classification for Schedules A-3 and A-4 of the Purchased Gas Invoices, Summary of Gas Invoices, and Gas Invoices. City Gas asserts that this information is intended to be, and is, treated by City Gas as proprietary and has not been disclosed. City Gas requests that this information be granted confidential classification for a period of 18 months from the date of the issuance of this Order pursuant to Section 366.093(4), Florida Statutes.

City Gas requests confidential classification for the information contained in the following table:

City Gas alleges that the above information, Schedule A-3, "System End Use," identifies City Gas's gas suppliers as well as the price and volume of gas that City Gas purchased for the month. City Gas maintains that disclosure of this information would "impair the efforts of the utility to contract for goods or services on favorable terms." Section 366.093(3)(d), Florida Statutes.

In addition, City Gas requests confidential classification for the information contained in the table below:

City Gas claims that this information, Schedule A-4, Transportation System Supply, represents negotiated gas supply packages purchased from vendors. City Gas asserts that these prices vary according to the operational flexibility of each contract. City Gas alleges that the release of any information therein would be detrimental to the interests of City Gas and its customers because it would provide competitors with a list of City Gas's suppliers, volumes purchased and costs by gas supply source. City Gas asserts that disclosure of this information would "impair the efforts of the public utility . . . to contract for goods or services on favorable terms." Section 366.093(3)(d), Florida Statutes.

Upon review, it appears that the foregoing information represents contractual data, the disclosure of which "would impair the efforts of the public utility . . . to contract for goods or services on favorable terms." Section 366.093(3)(d), Florida Statutes. Therefore, this information shall be granted confidential classification.

City Gas has requested that this information be granted confidentiality for a period of 18 months in accordance with Section 366.093(4), Florida Statutes. This time period appears to be necessary in order to allow City Gas to negotiate future gas purchase contracts with suppliers and competitors on favorable terms. The information, therefore, shall be held confidential for a period of 18 months from the issuance of this Order.

It is therefore

ORDERED by Commissioner Susan F. Clark, as Prehearing Officer, that City Gas Company of Florida's request for confidential classification of portions of Document No. 10023-98 is granted. It is further

ORDERED that the information for which confidential classification has been requested will be granted confidential classification for a period of 18 months from the date of the issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties concerning the expiration of the confidentiality time period.
