NOTICE OF PROPOSED AGENCY ACTION
ORDER APPROVING EXEMPTION FROM REQUIREMENT THAT EACH TELEPHONE
STATION SHALL ALLOW INCOMING CALLS

BY THE COMMISSION:

NOTICE IS HEREBY GIVEN by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

Under Rule 25-24.515(13), Florida Administrative Code, pay telephones must allow incoming calls to be received unless they are located at a confinement facility, hospital, school, or another location specifically exempted by this Commission. Requests for an exemption from this requirement must be accompanied by an attestation from the owner of the pay telephone, from the location

provider, and from the chief of the responsible law enforcement agency that the request is made to deter criminal activity at that pay telephone.

Peoples Telephone Company, Inc. has filed Requests for Exemption from the requirement that each telephone station shall allow incoming calls for each of the pay telephones listed below. Each request includes an attestation by Peoples Telephone Company, Inc., by the location provider, and by the chief of police that the request is made in order to deter criminal activity facilitated by incoming calls being received at the pay telephones.

<u>LOCATION</u>	<u>CITY</u>	<u>TELEPHONE NUMBER</u>
Kwik Stop #940 200 SW Davie Blvd.	Ft. Lauderdale, Florida	954/768-0577
Atlantic Gardens Apts. 3952 Atlantic Blvd.	Jacksonville, Florida	904/398-2691

The Requests for Exemption were filed on February 10, 1999. The Notice of Requests for Exemption was submitted to the Secretary of State for publication in the Florida Administrative Weekly pursuant to Section 120.542, Florida Statutes. No comments were submitted during the comment period, which ended March 12, 1999.

Upon consideration, it appears appropriate to grant Peoples Telephone Company, Inc.'s requests. Peoples Telephone Company, Inc. has demonstrated that these waivers are in the public interest under Sections 364.01 and 364.3375, Florida Statutes, in an effort to prevent criminal activity. Further, Peoples Telephone Company, Inc. has demonstrated that the enforcement of the incoming call requirement would result in substantial hardship for Peoples Telephone Company, Inc. as the requirement would allow the payphones to be used for continuing criminal activity. Pursuant to Rule 25-24.515(8), Florida Administrative Code, Peoples Telephone Company, Inc. must provide central office based intercept at no charge to the end user and must display a notice on each affected pay telephone stating, "Incoming calls blocked at the request of law enforcement."
