FPSC-RECORDS/REPORTING

Under Rule 25-24.515(13), Florida Administrative Code, pay telephones must allow incoming calls to be received unless they are located at a confinement facility, hospital, school, or another location specifically exempted by this Commission. Requests for an exemption from this requirement must be accompanied by an attestation from the owner of the pay telephone, from the location provider, and from the chief of the responsible law enforcement agency that the request is made to deter criminal activity at that pay telephone.

BellSouth Public Communications, Inc. has filed Requests for Exemption from the requirement that each telephone station shall allow incoming calls for each of the pay telephones listed below. Each request includes an attestation by the location provider, by BellSouth Public Communications, Inc., and by the chief of police that the request is made in order to deter criminal activity facilitated by incoming calls being received at the pay telephones.

The Request for Exemption for Docket No. 990204-TC was filed on February 23, 1999. The Notice of Request for Exemption was submitted to the Secretary of State for publication in the Florida Administrative Weekly pursuant to Section 120.542, Florida Statutes. No comments were submitted during the comment period, which ended March 26, 1999.

Upon consideration, it appears appropriate to grant BellSouth Public Communications, Inc.'s requests. BellSouth Public Communications, Inc. has demonstrated that these waivers are in the public interest under Sections 364.01 and 364.3375, Florida Statutes, in an effort to prevent criminal activity. Further, BellSouth Public Communications, Inc. has demonstrated that the enforcement of the incoming call requirement would result in substantial hardship for BellSouth Public Communications, Inc. as the requirement would allow the payphones to be used for continuing criminal activity. Pursuant to Rule 25-24.515(8), Florida Administrative Code, BellSouth Public Communications, Inc. must provide central office based intercept at no charge to the end user and must display a notice on each affected pay telephone stating, "Incoming calls blocked at the request of law enforcement."

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that BellSouth Public Communications, Inc.'s requests to block incoming calls at the pay telephones listed in the body of this Order is hereby approved. It is further

ORDERED that BellSouth Public Communications, Inc. shall provide central office based intercept at no charge to the end user at the pay telephones where incoming calls cannot be received. It is further

ORDERED that BellSouth Public Communications, Inc. shall display a notice on each pay telephone at which incoming calls are blocked stating, "Incoming calls blocked at the request of law enforcement." It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective unless an appropriate petition, in the form provided by Rule 28-106.201, Florida Administrative Code, is received by the Director, Division of Records and Reporting, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth

in the "Notice of Further Proceedings or Judicial Review" attached hereto. A protest in one docket shall not prevent the action in a separate docket from becoming final. It is further

ORDERED that in the event this Order becomes final, these Dockets shall be closed.
