This agreement covers a two-year period and governs the relationship between the companies regarding the resale of tariffed telecommunication services. Under 47 U.S.C. § 252(a)(1), the agreement shall include a detailed schedule of itemized charges for interconnection and each service or network element included in the agreement. The agreement states that telecommunications services provided by BellSouth for resale will be available for purchase by USA Quick Phone at a discount rate of 21.83% for residential services and 16.81% for business services.
