

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Application for amendment of Certificate No. 546-S to extend certain service areas in Highlands County by Silver Lake Utilities, Inc. | DOCKET NO. 080613-SU
ORDER NO. PSC-10-0068-PCO-SU
ISSUED: January 29, 2010

ORDER GRANTING MOTION FOR EXTENSION OF TIME

On January 12, 2010, Silver Lake Utilities, Inc. (SLU) filed a Motion for Extension of Time (Motion) within which to comply with a requirement in Order No. PSC-09-0086-FOF-SU, issued February 9, 2009, in this docket. One of the ordering paragraphs required SLU to submit an executed and recorded long-term lease agreement for the land for the wastewater treatment facilities within one year from the date of the Order or prior to construction of the wastewater treatment plant, whichever comes first. There has been no response filed in opposition to this Motion and the time for doing so has expired.

In support of its Motion, SLU states that the wastewater treatment plant has not yet been constructed. Development has not yet begun in the service area and SLU is now identifying the location of its wastewater treatment plant, and will not have an executed and recorded lease agreement by the deadline established by the Order. SLU further states that its failure to meet the deadline in the Order is not due to lack of diligence, but rather because the particular location could not be identified until the Developer's plans had progressed sufficiently enough to do so. Accordingly, SLU requests that the Commission grant it an extension of time of 120 days, until June 9, 2010, within which to file the executed and recorded lease for the land for the wastewater treatment facilities.

Upon consideration, SLU's request appears reasonable and its Motion for Extension of Time is therefore granted. SLU shall file an executed and recorded long-term lease for the land for the wastewater treatment facilities by June 9, 2010.

Based upon the foregoing, it is

ORDERED by Commissioner Nathan A. Skop, as Prehearing Officer, that Silver Lake Utilities, Inc.'s Motion for Extension of Time is granted until June 9, 2010.
